

FOR IMMEDIATE RELEASE:

Inside Pensions appoints former CEO of Higham Dunnett Shaw

Inside Pensions, 24 November 2011

Rita Powell, Managing Director of Inside Pensions is delighted to announce the appointment of Jocelyn Blackwell as the company's first non-executive director. "Jocelyn's appointment adds to the strength of the existing team and she brings invaluable experience from her many years within the industry" said Rita.

The former CEO of Higham Dunnett Shaw, Jocelyn worked for 30 years in the pensions industry, advising clients and striving to improve administration standards. After a three year sabbatical to take an anthropology degree at UCL, Jocelyn is delighted to return to the fold as a non-executive director for Inside Pensions. "Rita's vision of providing high quality pension secretarial services with integrity, clarity and simplicity chimes with the values I have believed in throughout my career. There has never been a greater need for good value, honest, independent services for Trustee Boards" said Jocelyn.

Editors notes

Inside Pensions

Founded in 2008, Inside Pensions focuses on independent secretariat and trustee services for pension scheme trustees.

Our independence ensures that we can deliver untold value to our clients as our total focus is the effective operation of trustee boards and their committees. We have no commercial relations with advisory firms so we are able to operate free of conflict, particularly when liaising with advisers.

Clarity, simplicity and integrity are intrinsic to everything we do, and this involves working openly and transparently with clients.

Rita Powell FPMI

Founder and Director of Inside Pensions, Rita has over 30 years industry experience including Pensions Director and Scheme Secretary to large and small schemes including the P&O Group, Centrica, The AA, Chloride Group and Nortel.

She is also an experienced chairman of trustee boards and a professional independent trustee.

Rita is a strategic thinker with wide industry knowledge and a proven track record of developing and implementing pension risk reduction strategies; improving controls and efficiencies and devising innovative solutions for trustee boards and scheme sponsors.
